

CURRICULUM VITAE

Davis Zavickis

ADDRESS

Institute of Solid State Physics University of Latvia,
8 Kengaraga Street, LV-1063, Riga, Latvia

PHONE

+371 29823482

E-MAIL

davis.zavickis@gmail.com

DATE AND PLACE OF BIRTH

16.12.1994, Cesis, Latvia

EDUCATION

2018.- present. Master studies in Physics, University of Latvia

2014.-2018. Bachelor of Natural Sciences in Physics, University of Latvia
Thesis "Nanoparticle defect aggregation studies in 2D iron lattice – kinetic Monte Carlo simulations"

EXPERIENCE

2018. – present Climatologist in Latvian Environment, Geology and Meteorology Centre

2017.- present Engineer in Institute for Solid State Physics, Latvian University

CONFERENCES

- 1) D. Zavickis, G. Zvejnieks, Yttrium oxide aggregation in 2d iron lattice: kinetic Monte Carlo simulations, LU Institute for Solid State Physics 34th scientific conference (20.02 – 22.02.2018, Riga), abstract book: p. 84
